

APA Formatting and Academic Writing Workshop

This workshop covers the major components in academic writing and APA formatting. Structure, style and tone of academic writing will be highlighted. The session will also include skills for in-text citation, quotation, paraphrasing and referencing. The importance of academic integrity will also be discussed.

Upon completing the course, students should be able to:

- follow rules and guidelines for better academic writing;
- adopt appropriate referencing skills in APA format; and
- have a better concept for upholding academic honesty.
