

IELTS Workshop: Listening & Speaking

This workshop gives you a guide to the requirements of IELTS listening and speaking papers. It helps you formulate effective listening and speaking strategies for the test. Students will be given hands-on practice in the workshop.

Upon completing the workshop, students should be able to:

- Prepare for the listening and speaking papers with a clear goal;
- Identify the common question types for IELTS listening and speaking papers;
- Learn the related examination skills; and
- Make good use of resources and consolidate self-learning plan for the papers.
