

## LLEC Summer Workshops

### International Phonetic Alphabets (IPA) Workshop

This workshop will introduce IPA symbols used in English language. By reading IPA symbols, participants will be able to pronounce the words without any audio help. Practice will also be given to the participants in order to familiarize themselves with the symbols. Please note that if participants miss the first or second workshop, they will not be able to catch up with the rest of the workshop series.

Upon completing the course, students should be able to:

- Recognize IPA symbols
- Pronounce the words in dictionary by referring to the IPA symbols
