DFS Bridging Workshop Series

The workshops offer essential bridging components for DFS students to pursue their studies in Higher Diploma programs. The series will cover academic vocabularies, interactive software & resources, how to attempt essay questions, etc. It aims to assist DFS students for a smooth transition to their Higher Diploma studies in coming September. Participants can choose to join any or all of the workshops.

Upon completing the workshop, students should be able to:

- Set a clear goal and develop own study plan;
- Learn and use resources to support future studies; and
- Expand vocabulary knowledge and enhance use of English.
