

Language Awareness Workshop: Do you speak Chinglish?

With an aim to raise your language awareness of English, I'd like to invite you to come and join this workshop about 'Chinglish', in which you will encounter a number of intriguing phrases partly resulted from cultural differences. You will also have ample opportunities to discuss how to improve (if not correct) the selected examples so that the messages are more acceptable and conform to the norm. The workshop will consist of interactive tasks and activities that fill more fun in your English learning journey.

Upon completion of the workshop, students should be able to:

- understand what Chinglish is;
- develop a critical and analytical mind in words choice; and
- minimize ambiguity in the meaning construction process.
