

Interview Skills Workshop

This workshop will introduce the commonly asked questions in University Interview and how to answer them. An array of issues such as the importance of the interview, what to prepare for the interview, dress code, and other dos and don'ts will be discussed in the interview.

Upon completing the course, students should be able to:

- develop a good understanding of your strength and selling point;
- create engaging content; and
- tackle the interview with appropriate spoken and body language.
