

Japanese Language Workshop

Examination for Japanese University Admission for International Students

(EJU 日本留学試験) Preparation

The workshop is divided into two parts.

The first part focuses on the requirements of EJU writing test and the strategies for earning high marks. The second part of this workshop is experiencing past examinations.

Upon completing the course, workshop participants should be able to:

- Prepare for the writing test with a clear plan and goal
- Make good use of resources and strategies to tackle the writing part
